

6th Form Options Form 2009

Name _____

Tutor Group _____

School (if not Chauncy) _____

Based upon previous options trials, we have built the final option blocks for subjects in the sixth form next year.

Please complete the form, choosing no more than one subject in each block and no more than 5 in total.

Most students opt for **4 AS Levels** or equivalent and this is the minimum requirement, unless special arrangements have been made.

Please bear in mind the following things:

You must indicate Double and Triple Award BTECs in **all** the relevant columns and be aware that these are these are **2 year courses**.

Product Design is taught through Resistant Materials.

In Blocks E and F some subjects are taught at other schools; these are clearly marked.
